

This certificate is confirmation that

RCT Entertainment & Events

Have had all relevant electrical appliances inspected and tested for electrical safety to the requirements of the Electricity at Work Regulations 1989, in November 2022.

All relevant cables are inspected and tested before each event. All mains distribution equipment are inspected and tested every 3-6 months.

Items that have passed can be identified by a **green** pass label. Items that have failed can be identified by a **red** fail label, and have been removed from service.
